The Newnan-Coweta Art Association was incorporated June 18, 1968. Today it is a non-profit organization whose purpose is to:

- Encourage and aid artists to produce works of art of every type and character, including but not limited to painting, sculpture, ceramics, wood craft, drawing and metal crafts;
- Furnish the auspices for the display of such works in Coweta County;
- Foster education and instruction in the creation and appreciation of works of art.

The Newnan-Coweta Art Association is one of the owning members of Coweta Festivals, Inc., which sponsors the Powers' Crossroads Country Fair and Art Festival on Labor Day weekend.

Three art shows are held annually: the Spring Fine Arts and Crafts Show on the Courthouse Square in April, the juried show at the Center for Performing and Visual Arts in June and the Christmas Fine Arts and Crafts Show and Sale in November.

These are some of the money making projects for the NCAA. Funds from the projects go to art scholarships to deserving students of Coweta County and the arts programs in the schools.

Workshops are held for the members and are open to the public. Group field trips are planned from time to time. Members display their art in many public places each month.

The NCAA meets monthly on the third Thursday, except July and August, at 7:30 p.m. at the Harriet Alexander Art Center, 31 Hospital Road, Newnan. At the meetings, art related programs are presented with artists demonstrating their skills; and we enjoy food and fellowship.
