Hi fellow artists

Interested in a cruise/land tour of Alaska? Maybe we could get a nice FUN group to go together. But have to decide soon, as things are filling up.  
As of now looking at a Princess Cruise NA7 for 14 days and possibly adding a day or two either beginning or end in Vancouver?  
Also those of you that knew Mollie Flack (fellow artist) would maybe meet us somewhere along the way as she lives in Alaska during the summer time.  
Date would be July 9 or Aug 6 If interested call Eunice 678-516-8653. The ship would never be the same again with all the "artists" on it but could be FUN!!! We do need some FUN in our lives and also a great opportunity for photography and/or to paint from your own photos.

Thanks Eunice

## NCAA PRESIDENT’S MESSAGE Jan. 2012

Dear NCAA Members:

I hope you and your loved ones had wonderful Holidays and I wish you good health and happiness in the year ahead.

First of all let me say that I am honored you have enough faith in me to lead as your president for the next two years.

I want to assure you that I am sincere in my commitment to this position and while being somewhat new to the NCAA I will do my best to achieve our common goal of promoting interest and appreciation of Art in our community as well as helping foster young art students in the Coweta School System through our scholarship program.

However to achieve our goals we will need to raise funds in a down economy. The next year will be a real challenge and we need every non-attending member that is able to return, recruit new memberships and enact the new Patron program so we can continue our quality shows and scholarships.

I think we must start this new year with an open heart, mind and a very positive attitude to face the decisions and challenges we have ahead of us.

It is a pleasure to work with such talented and professional people and I know together as a team we can make this year a success as well as having fun pursuing our creative passions and enjoying the fellowship of our wonderful organization.

Sincerely,

*Faye Holzaepfel*
