## From Your President . . .

Dear Artists,

Welcome back everyone!! There are many things going on during the last quarter of the year. The Labor Day Arts Festival is just around the corner - hope you will be there either as an exhibitor or an attendee. This event has grown so much over the past few years.

We are also excited about this year's Christmas Arts & Crafts Market!! Reserve your booths now as they are going quickly. Cheryl and her committee have been working very hard to get the event organized and ready to sell, sell, sell.

I hope you are all enjoying your summer - vacationing, visiting family or doing absolutely nothing!! We look forward to seeing you at the general meeting on August 16th. Can't wait to hear all about your adventures over the summer months.

## Hold Fast to Your Dreams

**Never lose the passion that fuels your creativity!**

Listen! Music fills a room  
Like soft sunlight through sheer lace curtains  
And those simple youthful melodies are played  
Time and time again.

At first with fumbling fingers  
And then with practiced perfection  
The work soon becomes second nature.  
The notes have not changed but the student has.

With each lesson learned another page is turned  
And the cycle begins anew.  
The young ones observe those older  
And follow in their path.

Each maestro has their mentor  
And each pupil their faithful fan.  
There is pleasure in each performance  
Be it childish or complex.

And we seem to enjoy the recitals most  
Not when judged in a contest,  
But rather when shared in a concert,  
Where every soul resonates with a music uniquely its own,

A music which becomes richer  
As it harmonizes with that of others.  
Our life is but a picture within a picture,  
A single note within a score.

Let us use it well.  
Let us seek to learn and then learn to share  
So that each day is a dress rehearsal  
For a grand performance yet to come!

## Summer Showcase! Newnan City Hall ~ Artists of the Month

*Rusty Sharp ♦ June 2018*

Every month a local artist is named Artist of the Month. The city has partnered with NCAA and some local art galleries on this project. Rusty is the liaison for NCAA and Newnan City Hall.

Thank you, Newnan, for supporting the arts... and big, big thanks to Rusty for coordinating NCAA artist exhibits at City Hall.

**Ladies... you are ART itself! Thank you!**

*Bette Schumann ♦ July 2018*

"Art has always been a part of my life because my father was a professional artist, and my mother was an art hobbyist. Now that our five children are grown, art has become a very central part of my life. I have studied oil painting with Helen Hayes, an international award winning artist, and attended many workshops. I have won numerous local and regional awards, and have been represented in several galleries, and have had a painting hanging in the capital building in Atlanta, Georgia."

"I paint primarily from photographs, my own or yours, if you commission me to paint for you. I enjoy painting to record the memory of a special place, or represent something of beauty that God created, or even the interesting architecture of a building. I especially enjoy the challenge of capturing the personality of the individual in a portrait, often with the tiniest brushstroke."

*Chelita Freeman August 2018*

Chelita's art is on display at Newnan City Hall during the month of August. Chelita began painting in the early 1970s and is a certified teacher of tole and decorative painting, along with wet-on-wet landscape techniques. She currently teaches classes at Hobby Lobby (Newnan) and Chelita's Art Studio (Franklin). "It is a wonderful feeling to teach people how to paint and to see their faces when they finish their painting," she tells us. "They all think it's hard, but I promise I can teach anyone how to paint." For class info, call 706.302.4209.

What do artists draw?

- what they *see* (observation)
- what they *remember* (memory)
- what they can *imagine* (imagination)
- what they *feel* (expressive)
