From Your President ...

Dear Members,

By now, you should have received the **Call for Submissions** and **Entry Applications** for our **18th Annual Juried Member Art Exhibit**, which were mailed out on Friday, April 4. The Juried Exhibit will be held at The Nixon Centre Black Box, as it was last year; Exhibit dates are July 23 – August 27, Monday through Friday, 9 AM – 5 PM. The **Artists' Reception** is scheduled for **Tuesday, August 19, 6 – 8 PM**. As always, Ribbons and Cash Prizes will be awarded. However, this year, we've added five (5) new ribbons to the mix! In the past, we've awarded an overall "Best in Show" and "Best In" (Blue Ribbons) for each division, and we've recognized 10 Honorable Mention pieces, without regard to divisions. Beginning this year, a "Merit Award" (Red Ribbon) will also be given in each division, along with a cash prize. By adding the five Merit Awards, we've increased the opportunity for cash prizes. With this new format in place, we will still award Honorable Mentions for five pieces, without regard to category divisions. We are excited to be able to offer five more opportunities for our artists to receive special recognition and awards!

If you haven't yet started creating your pieces, I encourage you to do so now. Each artist can submit up to 3 entries and all mediums are welcome. Keep in mind that all entries must be received by Saturday, June 14. Please be sure to read the "fine print" on the **Call for Submissions**; I'll highlight just a few things for you to keep in mind:

Pieces must meet the following requirements:

- Must be created within the last four years
- Must be suitable for viewing by all audiences (no nudity)
- No "prints" (including giclee)
- Maximum size 4' x 4' (including outside of frame)
- All 2-D pieces must be framed and wired for hanging
- No canvas wrapped

Embrace the Challenges of a Juried Art Exhibit and Let Your Art Shine!

- No saw-tooth hangers
- Entry Applications must include a 5" x 7" high resolution photograph printed on glossy photo-graphic paper for each entry submitted. The photo should be of the piece itself (not the frame, unless the frame becomes part of the piece/ sculpture).

The Annual Juried Member Art Exhibit has always been our most prestigious event of the year, and it will again be the highlight this year! Plans are underway to make this Exhibit an even more esteemed display of our artists' work, and the Artists' Reception will again be an enjoyable, joyous evening of music, light refreshments, awards, and celebration!

Thank you to our artists and crafters who signed up to participate in our upcoming **Arts & Crafts Market** at The Avenue on **April 22!** What a great opportunity for NCAA artists and crafters alike! All spaces are filled, and we're looking forward to the exposure this will bring to the NCAA. I encourage all of our members to stop by the Market and see what our fellow members have to offer. The Earth Day Festival's activities will be happening that evening also; the Arts & Crafts Market will be open from 3:00 – 7:30 PM, and the Earth Day Festival events run from 5:00 – 7:30 PM.

More opportunities are on the horizon for NCAA members, so be on the lookout for updates and make plans to participate whenever you can.

President's Message continued ...

We are always in need of volunteers to help plan and execute events throughout the year. As new opportunities present themselves, we need more members who are willing to step up and offer some of their time and talents to plan an event or coordinate a venue (or teach a class or workshop). Please let me know, if there is anything you are willing and able to do for the NCAA.

This year I am focusing on getting our Standing Committees (according to our By-Laws) up and running; some of these Committees haven't been filled or active for a very long time, and I'm working to change that. In February, I appointed **Karen Jenkins** as Chair of the **High Museum of Art Committee**; Karen gave her first report at our March General Meeting and also offered information about some other local museums. Most recently, in March, I appointed **Eve Graybeal Olsen** as Chair of the **Publicity and Public Relations Committee**; Eve will handle the media releases and publicity before/after all events. She's excited and ready to get the word out! Along this same line, I have also appointed **Pammy Vaughn** to handle our **Social Media** platforms; Pammy has already started posting and our views are going up! If you have anything NCAA related that is newsworthy or needs to be advertised, please send the info to Pammy. Social media can go a long way to gaining more exposure and new members for the NCAA, and Pammy is ready to help! Please "like" and "follow" the NCAA on our social media platforms.

If you signed up to attend our **Member Mixer on April 15**, then I look forward to seeing you there! Either way, please make plans to attend our **General Meeting on Monday, April 21!** It's a great time to connect, get updates on NCAA happenings, and enjoy a demo/presentation!

Warm regards,

Teresa Foshee
President

Thank You, Marilyn!

APRIL 21ST MEETING

GUEST PRESENTER

CHARLES TRYON

Sculptor ♦ Figure Drawing and Painter

tryonsculpturearts.com

I have had a passion for clay and sculpture for as long as I can remember. Though I grew up in a very technical and computer oriented family, some of my fondest memories are of summer pottery classes at the local art museum. In college, I took a turn toward mathematics and computer science, and over the next 35 years, I followed a fulfilling and profitable career as a Software Engineer. However, I never forgot my love for sculpture.

My goal as an artist is to help others open their eyes and ears, to see themselves and the world around them in a different light, to look beyond the obvious to the truth which winds its way through all of creation.

I am still amazed by the pure joy I experience when I have my hands in the clay. I find that my work communicates on many different levels, from the practical and utilitarian to a simple reflection of the beauty I see around me. It may express a response of hope or fear or love, or it may be simply a reflection of the little kid inside of me at play. For me, clay and sculpture become a language to express thoughts, emotions, or insights for which I have no words.

As much as I love to create with clay, I also love to *teach others* to experience that same joy. Young people are naturally drawn to clay, even when their technical skills are simple. With a little bit of instruction and encouragement, they quickly gain the confidence that they, too, can create something of value. Clay is such a malleable material that the art flows naturally from their active imaginations.

The underlying thread in my journey has been growing to understand what it looks like to integrate the truth of my relationship with Christ and my expression as an artist. I am learning to let my creative process develop in such a way that it reflects the complicated dynamic of my Faith – something which is not always pretty or positive or well understood, but which carries underneath it the reality of Hope.

Artists of the Month ~ April 2025

Newnan ArtRez

The Newnan Artist-in-Residence (ArtRez) program offers residencies to emerging and mid-career artists from various disciplines so they can pursue their art away from everyday pressures while engaging in community experiences that enrich Newnan and Coweta County's cultural environment. When artists go through the residency program, they stay at *Gray Cottage*, a renovated one-bedroom bungalow that houses an artist's studio and office workspaces. The Cottage is located next door to the Newnan branch of the University of West Georgia, and a short walk to the lively town square. Residencies can last from two weeks to two months. Artists leave one of their art pieces behind.

The current exhibit features works by former ArtRez artists and is on display in the entry way to Newnan City Hall throughout April.

Peter Tudhope

painter, muralist
medium: oil on canvas,
charcoal, pastel

Newnan's first artist-in-residence!

In September 2015, Peter came to Newnan from Scotland on his first visit to the US. He lived at Gray Cottage for several weeks in order to explore the surrounding historic downtown and to offer his unique view to the local community. His works focused primarily on the landscape of downtown Newnan. During his stay, he offered workshops, lectures, and plein air painting opportunities to locals.

Peter passed away on March 10, 2022 after a brief illness. He is fondly remembered in the many friendships he made through ArtRez. These friendships continued long after he returned to Scotland.

His painting, "*Dusk West Washington Street*" is in the current exhibit.

Molly Rose Freeman

painter, muralist

Molly has been painting large scale murals since 2010. She has painted over fifty murals around the world. In July 2016, Molly created a large geometric mural on the outside wall of the Alamo in downtown Newnan. The patterns and colors in the mural were inspired by the local landscape. A **photo** of the

Molly Rose Freeman **Mural**, taken by **Susan Crutchfield**, is in the current exhibit.

Christina Laurel

installation and fine artist

Christina creates installations and 2D art, all with a Japanese aesthetic. While in residence at Gray Cottage in April 2017, Christina continued developing her "Refugium" project (suspended lace panels support a migrating pattern of butterflies that cast shadows and respond to air movement). She also led a workshop for the NCAA. Her 2D works "*Kimono #7*" and "*Kimono #8*" are included in the current exhibit.

Lauren G. Koch

mixed media

In June 2017, Lauren was the featured artist at Newnan ArtRez. She is a nationally and internationally exhibited mixed media artist. Her exposure to iron casting as an early teen took her all over the U.S. assisting iron pour performances and her mentors in workshops. Lauren created a "Butterfly Bench" for the *Keep Newnan Beautiful Pollinator Garden* at 14 Carmichael Street. A **photo** of the **Bench**, taken by **Susan Crutchfield**, is in the current exhibit.

57 years & counting

newcaa.com/our-history

In the fall of 1967, a group of interested citizens of Newnan and Coweta County met at the YMCA building to discuss an arts and crafts festival for Newnan and Coweta County for the fall of 1968. This meeting was spearheaded by **Lindsey Barron** and **Tom Powers**. Tom asked for suggestions from the group. Ideas for a name, place, time, etc., were discussed.

Then a steering committee headed by Lindsey Barron and Tom Powers met to form basic plans for an active Art Association for Newnan and Coweta County. A list of officers was submitted as follows:

OFFICERS

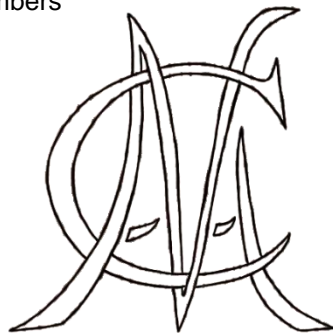

President – Lou Mayo
Vice President – Harriet Alexander
2nd Vice President – Tom Chambers
Secretary – Shirley Holdaway
Treasurer – Mary Lillian Pike

The first official meeting was January 1968. A charter was formed, and the **Newnan-Coweta Art Association was incorporated June 18, 1968**. There were 58 memberships (43 individual and 15 family).

In the fall of 1968, the Art Association members showed their art for the first time as a group at the Coweta County Fair exhibit buildings. It was most successful and was held annually for four years.

Then **Powers Crossroads Country Fair & Art Festival** was formed by Tom Powers. The Art Association became actively involved from the beginning in assisting Tom Powers with this huge Festival.

Original Art House – painting by Jean Westbrook

After the 1972 Art Association **Spring Show**, it was decided to cancel further spring shows since the area would be over-saturated. But the Association (in partnership with the YMCA) would continue to co-sponsor the **Christmas Show** at the Recreation Center.

Tom Powers successfully produced the Powers Crossroads Country Fair & Art Festival for 3-1/2 years. After the Chamber of Commerce finished out the year, they approached several groups to continue with the Festival. The Art Association became an integral part of **Coweta Festivals, Inc.**, which was formed in 1975, in producing this highly successful event.

As a result of NCAA's involvement in Powers Crossroads Festival, the Art Association was fortunate in sharing in the profits of this annual show, which enabled the Art Association to pursue many worthwhile projects, such as giving art scholarships to graduating seniors and donations to the schools to help subsidize their art programs. Donations were given to Newnan Public Library for the purchase of art books, videos, and other art-related projects.

Many art works have been sponsored by the NCAA over the years, and interesting programs are *still* being presented at the monthly meetings held at the current Art House (31 Hospital Road, Newnan). Members of the NCAA were instrumental in the upkeep of the original "house" in many ways, such as furnishing appliances for

the comfort of the students taking art classes through the Recreation Department.

In 1981, the NCAA achieved a non-profit status.

Since its founding in 1968, the NCAA has been actively engaged as an organization. For many years, the NCAA sponsored a **Spring Art Show** on the Court Square in Downtown Newnan. The annual **Christmas Arts & Crafts Market** -- a beloved NCAA tradition -- is still going strong these many decades later... as is our goal to bring an Art Education and an appreciation of the Arts to the residents of Newnan and Coweta County through our many projects.
