As we near the end of 2025, I want to take this opportunity to thank our 2025 Board Members, Committee Chairs, and Venue Coordinators for their commitment, dedication, and support throughout the year. ## Newnan City Hall

25 LaGrange Street, Newnan 30263

### NCAA Artist of the Month December 2025

*Susan Peryam*

*"Grateful to God for the unexpected  
gift and joy of painting"*

The Newnan-Coweta Art Association (NCAA) has selected **Susan Peryam** as the featured "Artist of the Month" for December 2025. Susan's art will be displayed in the entry way to Newnan City Hall until December 31.

Born and raised in rural farmland outside of Buffalo, New York, Susan began her art studies during high school and supplemented school work with oil painting lessons on Saturday mornings. Some fifty years later after a corporate career, she is fulfilling a life-long yearning to spend time drawing and painting. Inspired by her current instructor, Kay Stanley (*Sharpsburg Rec Center*) and other students in her class, Susan is evolving her drawing skills, watercolor techniques, and use of other mediums. Her creativity is reflected in drawings and paintings.

The exhibit at Newnan City Hall is a collection inspired by summers spent in southern Wyoming. It includes paintings of majestic mountains, fall aspen trees, and drawings of wild horses in the Red Desert.

Fox Squirrel Studio, Susan's home studio, is located south of Atlanta in rural Georgia. The studio was named for the magnificent fox squirrels that can be seen from the studio windows. One glimpse will give insight to a wonderfully creative maker. The natural surroundings around the studio give inspiration to all who visit.

Connecting with Art ~ It was a great conversation about why we create and the importance of observing artwork in detail, focusing on what you see rather than what you think it represents; how to balance perspectives, objective interpretations, and context.
