## From Your President ...

Dear Members,

I love October! It's one of my favorite months. Along with the cooler temperatures, October ushers in a vibrant backdrop of dazzling colors with the fall leaves creating nature's masterpiece. The fresh, chilly air welcomes warm cozy sweaters and invites us to snuggle up with a soft, fuzzy blanket and a cup of hot cocoa, as we sit by the crackling fire's glow and allow ourselves time to reflect and relax. Nature encourages us to slow down and bask in the beautiful quiet that surrounds us.

Historically speaking, October marks a transition from harvest to winter. And did you know that the launch of Sputnik 1 on October 4, 1957, marked the beginning of the Space Age and the Space Race? Or that the United Nations was founded on October 24, 1945, to promote peace and cooperation worldwide? Did you know that the first World Series (baseball) began on October 1, 1903?

Well, it appears that October is also a month for artists! Here's what I found:

- **Drawtober** is a month-long art challenge designed to get you drawing every single day in October. (I wish I would have come across this information sooner – that sounds like a great way to encourage some “me time” each day!)
- **Inktober** is along those same lines; Jake Parker (illustrator and cartoonist) created Inktober in 2009, as a challenge to improve his inking skills and develop positive drawing habits. It has since grown into a worldwide endeavor with tens of thousands of artists participating each year. Every October, artists post one Inktober drawing each day throughout the month of October.
- **National Arts & Humanities Month**, established in 1993, is celebrated nationwide every October in the United States, to promote public awareness of the arts and humanities, their importance to society, and the

## October Tidbits – Did you know?

need for equitable access to them. It encourages Americans (individuals and communities) to explore and participate in artistic activities, support cultural organizations, and recognize the role of artists, writers, scholars, and cultural institutions (museums) that enrich our lives. One of its goals is to raise public awareness about the positive impact arts and humanities have on health, education, and communities.

- **International Artists Day** is celebrated on October 25, to honor artists and the creative work they produce. It encourages us to reflect on the role that art plays in our lives. This day also celebrates one of the most famous artists, Pablo Picasso, who was born on October 25, 1881.
- **Leonardo da Vinci World Award of Arts** is the most prestigious art award and is given annually by the World Cultural Council (WCC) to recognize artists whose work significantly contributes to the world's artistic legacy and elevates human existence through beauty and inspiration. The award is presented to renowned artists in various fields, including visual, performing, and visionary arts.

I hope you enjoyed reading those tidbits about October! Now, as far as the NCAA business at hand, we are still working to fill our **Standing Committees**, and we need your help! In order to make the Art Association a fully functioning organization, we want to fill all of the Committees outlined in our By-Laws. Please give some serious thought as to how you can help and consider signing up to serve on one of the following Committees:

## President's Message continued ...

- **Publicity and Public Relations** – Handle the media releases or publicity before/after all events.
- **Tours and Events** – From time to time, arrange art tours and events for the membership.

Your involvement in these areas will enable us to provide more visibility for our artists, increase awareness in our community and the surrounding areas, and offer occasions for us to enjoy the world of art together. If you are interested in either of these opportunities to serve, please let me know.

You might notice that the Art House is looking a bit less dusty and less cluttered this month. A few of the Board members are volunteering their time and some much-needed elbow grease to make the Art House a cleaner, brighter, more welcoming and inviting space for our members and guests. We recently spent time cleaning in the lobby, kitchen and meeting room; although there is still work to be done in these areas; we made a lot of progress and are pleased with what we've accomplished so far!

In August, we began filling the grids at the Art House with our members artwork, and the plan is for us to continue to do so. However, we will need for everyone to **pick up their artwork at our General Meeting on October 20**, because we will be using all of the grids for our upcoming Christmas Arts & Crafts Market at the Coweta County Fairgrounds.

Let's take a look at what's coming up this month and into November! Here are some things you won't want to miss:

- ❖ **FAACE Magnolia Arts Festival:**  
Saturday, October 18, 10 AM – 7 PM, and  
Sunday, October 19, 12 PM – 5 PM
- ❖ **NCAA General Meeting:**  
Monday, October 20, gather at 6:30 PM
- ❖ **NCAA Holiday Arts & Crafts Market at The Avenue:** Saturday, October 25, 12 PM – 5 PM
- ❖ **NCAA Christmas Arts & Crafts Market:**  
Friday, October 31, 10 AM – 4 PM;  
Saturday, November 1, 10 AM – 5 PM; and,  
Sunday, November 2, 12 PM – 4 PM
- ❖ **SHASTOUR:** Saturday, November 8, 9 AM – 5 PM, and Sunday, November 9, 11 AM – 5 PM

As I wrap up this letter, I encourage each of you to make time for yourself and your art this month. Explore, find your inspiration, and create! And let's strive together to bring awareness to and have a greater impact on our community by supporting the NCAA and the events that are taking place this fall. Get involved in the Art Association and realize the camaraderie and joy of working together to achieve our goals!

Wishing you warm thoughts and warm hearts, as you create visual arts!

## Fantasy and Realism: Steve Boykin

Gallery Hours: Thursday – Saturday, 11am – 5 pm

“Anna Lisa” captures a young woman with an intense, direct gaze that draws the viewer into her world. Her dark hair flows dynamically around her face, interwoven with autumn leaves in rich golds, oranges, and greens that seem to dance through the composition. Steve's work here blends portraiture with elements of fantasy and nature, creating a piece that feels both grounded in reality and touched by magic, suggesting themes of growth, change, and our connection to the natural world. This is just one of many dramatic, mesmerizing, vibrant, and contemplative works currently on display. This could be our first NCAA tour. **Let's go!**

## OCTOBER 20TH MEETING

GUEST PRESENTER

*Katie Twomey*

Katie Twomey works as an Archivist at the Portman Archives in Atlanta, Georgia, since 2017. The Archive is the repository for famous Architect & Developer John C. Portman, Jr. whose career spanned seven decades and contains architectural drawings, artifacts, audio-visual materials, photographs, documents, and artworks. Katie's focus is on processing and digitizing the 40,000+ architectural drawings contained in the Archive, in addition to focusing on Outreach & Engagement activities with universities, researchers, and fellow archivists to promote the Legacy of John Portman. Prior to working at the Archive, she worked as an Environmental Review Historian for the State of Georgia's Historic Preservation Division.

Katie is a Newnan native who graduated from Newnan High School in 2007. She earned a Bachelor of Landscape Architecture and a Master of Historic Preservation from the University of Georgia.

Her interest in history and preservation began at an early age. She loves older homes and mid-century design. As a young girl, she enjoyed doing art projects with her parents and woodworking projects with her maternal grandfather. Not surprising, though — she is the daughter of Nancy Twomey (educator and jewelry artist) and (the late) Michael Twomey (musician and chemical engineer). Her dad influenced her interest in family heritage and taught her the love of cooking. She journeys through her great-grandmother's vintage cookbook from time to time when preparing meals.

Katie currently lives near Vinings and enjoys simple pleasures like cooking, swimming, attempting to knit, and spending time with friends and family.

### NCAA Artist of the Month October 2025

*Sophie Holliday*

The Newnan-Coweta Art Association (NCAA) has selected **Sophie Holliday** as the featured “Artist of the Month” for October 2025. Sophie’s art will be displayed in the entry way to Newnan City Hall until October 31.

Sophie is a self-taught artist with a passion for animal portraiture. Her work has been displayed in galleries in the United States and in England. A percentage of sales from her big cat paintings goes towards conservation charities. Her goal is to raise awareness of animal conservation and critically endangered species through her art.

She uses an array of art mediums including oil, acrylic, watercolor, mixed media, charcoal/graphite, colored pencil, and ceramics.

Sophie joined the NCAA in December 2024. She actively participates in the NCAA art exhibits and Pop-Ups. This year, she had two pieces accepted in the NCAA’s 18th Annual Juried Member Art Exhibit — it was the first time she had ever taken part in a juried show!

We are delighted to have her as a member of the NCAA and look forward to being part of her future projects and creative experiences.

## OPEN STUDIO AT THE ART HOUSE

**October 16, 2025 11 am – 4 pm**

We invite all NCAA members to come together **once a month** for **(Thursday) open studio day** at the Harriet Alexander Art Center. No registration necessary and no fee to attend. During the open studio, you are welcome to work on any of your art projects, new or existing, in any medium; or simply take a pause while connecting with others. Just bring all of your own necessary supplies, pack a snack or a lunch, and let’s spend some time together doing what we love!

## MEMBERSHIP DUES

**Is your membership up to date?**

Managing membership dues might not top the list of glamorous tasks, but it is essential. Maintaining “good standing” means that the member is active and compliant with the organization’s bylaws. Annual dues must be paid on time. If not, it affects a member’s voting rights, participation in events, committee assignments, and governance of the NCAA. We elect our 2026 Board Members at the general meeting on Monday, November 17. **Your vote matters!** Be there, in good standing! Click this link: [membership renewal](#) for “how to renew” info. ## GENERAL MEETING MINUTES — September 2025

A general member meeting of the Newnan-Coweta Art Association (“NCAA”) was called to order by Pres. Teresa Foshee at 7:02 pm, on Monday, September 15, at the Harriet Alexander Art Center. A warm welcome was extended to members, new members, and guests.

Refreshments were provided by Amy Stanley, Karen Jenkins, Yana Pidorvan, Marilyn Weigle, and Marianne Wilson. Thank you!

Door Prize — Sharlea Warner won a signed poster of *Yuchi Town*, a Creek Indian village located on the Chattahoochee River in Georgia, circa 1776, where Ft Benning is located today. The poster was donated by artist Martin Pate, who created the original oil-on-canvas painting for the Legacy Program’s cultural series in partnership and collaboration with the National Park Service’s Southeast Archeological Center (SEAC) and Ft. Benning, Georgia.

NCAA/NCAC Art Exhibition Coordinator Needed – (Teresa Foshee) Rae Duncan will be stepping down from this position after the conclusion of the January 2026 Art Exhibition in the Vault Gallery.
